Guy Touvron
Soliste international
International soloist

The high musicality of international soloist Guy Touvron,
his most handsome trumpet playing put him on the same rank as Maurice André.
Guy (three first prizes in international competitions : Munich, Prague and Geneva)
shares with Maurice André this humility which is the real mark of greatness.

Jacques Jarmasson

The art of Pierre Thibaud will always enchant our ears !
We can listen to him via Youtube with Karl Richter in the "Cum sancto Spiritu", playing the little Piccolo Selmer, tuned in Bb, which is a very rare thing.
This tuning allowed Pierre Thibaud to get a splendid brilliant sound.
